

Volunteer for the Arts!

The Lake Oswego Foundation for the Arts is looking for volunteers who have a passion and commitment to the arts of Lake Oswego. Work with artists and community members to bring the creative arts to people of all ages in the community. Use your talents, learn new skills, discover and explore areas in the arts that interest you.

- **Education Committee** The Education committee develops and implements projects that provide hands-on learning and experiences in the arts for people of all ages. Currently the committee is facilitating an Artist in Residency program with the Lake Oswego schools and conducting tours of the downtown public art collection.
- **Gallery Without Walls Selection Committee** This committee reviews artists and selects sculptures for the city streets of Lake Oswego on an on-loan, rotating basis. Volunteers also help in the placement and promotion of these public sculptures. See the results of your efforts every time you are on the streets of our community.
- **Arts Downtown Committee** This committee is currently planning several great events. Event planners and others interested in the many aspects of successful events, such as working with caterers and planning various activities, are needed. Bring your ideas and help create a lively and artistic downtown for everyone to enjoy.
- **The Chronicle Committee** Are you knowledgeable about art and committed to the growth of the Lake Oswego Public Art Collection? Do you enjoy viewing art, handling art, and meeting artists? Then this is the committee for you. Each year this committee invites over 40 artists to create work that chronicles life in the Northwest. These works are exhibited at the Lakewood Festival for the Arts, and one or more is chosen for the City of Lake Oswego permanent collection. Volunteers are also needed to install, staff and dismantle the exhibit in late June.
- **Marketing and Fund Development** Put your skills to work and help the arts grow in our community. Writing new releases or overseeing the promotion of an exhibit or event are just a few of the activities involved in these important areas of our organization.
- **Administrative Support** The Foundation needs individuals to help with mailings, set up at events, and general office support-type duties. If you are interested in attending meetings of the various committees and taking minutes, we could use that help as well. Computer skills are a plus! Help out, plus learn more about what it takes to bring the arts to life in our community.
